25X1

25/1	Moreland of GSA had a query from James Guirard, in the office of Representative Edwin Willis, as to possible early termination of a lease. Apparently no particular event occasioned the call and Moreland advised that at the present time there were no plans for earlier termination which was scheduled for 2 November.
25X1	
25X1	Jay Sourwine, Senate Internal Security Subcommittee staff, called wishing as soon as possible a copy of the text of a new confession by Captain Bucher which is being put out by the North Koreans. I indicated we would get right on it and be back in touch.
25X1	4. Handcarried to Donald O'Donnell, Senate Permanent Investigations Committee staff, the Director's response to Senator McClellan's request for updated information on the threat to the U.S. fleet. On the basis of a quick review, O'Donnell said this appeared to serve their purposes nicely and expressed their appreciation.
